

Message Four—Study Questions

1. Summarize how the central thought of Haggai's prophecy on the building of God's house is related to the welfare of God's people today and to the coming of the millennial kingdom with its Messiah.
2. Explain how the completion of God's building in this age depends on our degree of experience of the sevenfold intensified Spirit as typified by the seven eyes of the building stone in Zechariah 3 and the seven lamps and seven eyes of Jehovah in Zechariah 4.
3. Interpret the vision of the lampstand of gold and the two olive trees in Zechariah 4 and describe how in principle such a vision should be applied to our present-day experience for the testimony of Jesus.
